Ok. What time do you want us to come tomorrow? You need to pick up ground lamb on your way back to hospital. What do you want me to do with turkey?

I need to leave here at nine to go home and get ready

Keenan is usually awake by eight or 830 and starving. I doubt he's going to sleep much tonight as his back is already hurting

How to purée these beans?

I figured it out. Sleep well askim and minik civciv. I love you both the most!

way to our house.

Please ask the nurse Sarah to ask Dr. Noorani if they retested his thyroid levels as Dr. Stewart said they would yesterday, and also if they have put in for an allergy test through the blood work, as the G.I. specialist said they would.

Ok

No they didn't it takes 6 weeks for the results. Do you still want it?

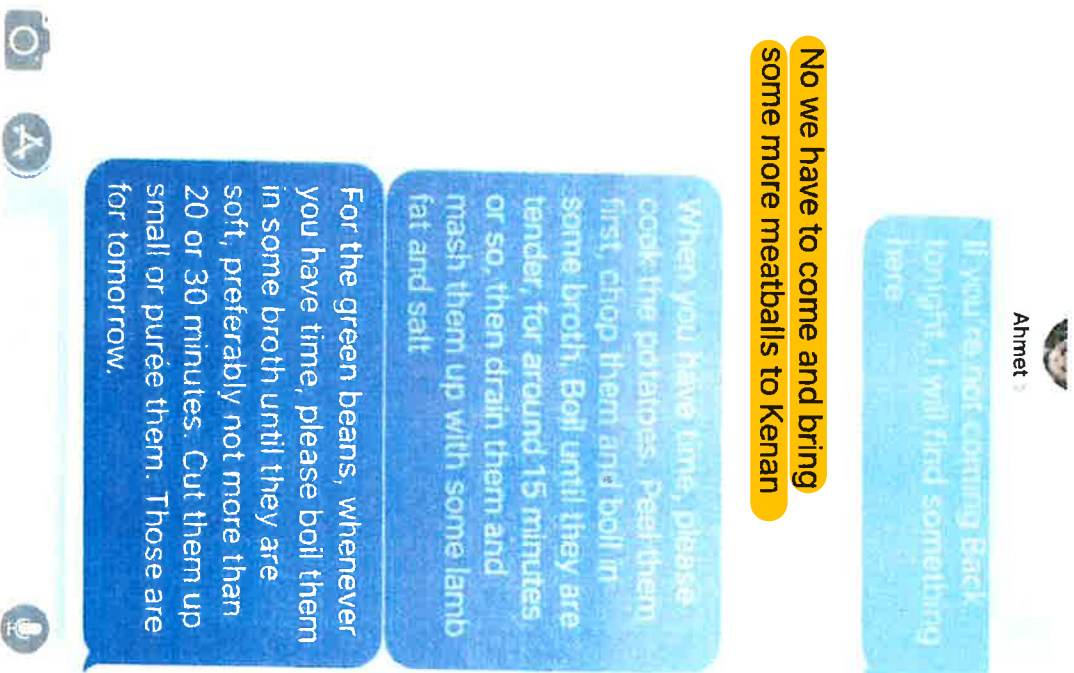

Yes please

Please also ask them if any allergy tests have been ordered and or if we will be seeing an allergist in the hospital

Today was 17.8?

We have to keep pushing the food all day. I'm going to try sourdough bread so that should help

Ahmet >

We need to do more lamb!

Today 17.6. Meatballs

Shankar Do we need to buy more or just make more?

How much do you have left right now?

OK, he can have a big serving spoon full of beets and carrots. He can have lentils if you can find a way to get him to eat them. He can have Apple, but separate from other food by at least half an hour. I will call you when I'm done with putting needles in.

7-8

Ahmet

Give him a few good bites of Apple between meals. When he's having a meal, he can also have green beans.

I gave already everything

He's out of food?

Yes

OK I am at whole foods. Be there soon.

Did he eat lentils?

Yes

I got apple and butter not squash and beats. Did you get sweet potato yesterday? Anything else I need to get? I

We have beets

Yes

We have sweet potato

We have beets to cook? There are no more in the freezer.
